The Maximum Fee will be calculated automatically based on the number of units entered into the template.

Mandatory Factors

Answer the question for each factor and provide an explanation for any “no” answers provided on the application:

1. Mortgage Payments

Comments: Identify if any late or partial payments were made or if a late mortgage payment notice was received. Provide further explanation of the factor, if necessary.

2. Material Defaults

Comments: Identify if any formal declaration of material default was issued by the Authority for this development and provide further explanation of the factor, if necessary.

3. Delinquent Water and Sewer Bills

Comments: Identify if the development has any unpaid water and sewer bills that resulted in collection proceedings or a lien placement by applicable governmental entities. Provide further explanation of the factor, if necessary.

4. Insurance Policy Coverage

Comments: Identify if the development’s insurance coverage policies did not adhere to MSHDA’s insurance requirements or did not remain in effect for the entire applicable calendar year. Also, identify if funds were not paid into a MSHDA-held escrow for Liability, Property, and Umbrella Liability Insurance policies. Provide further explanation of the factor, if necessary.

5. Annual Certified Audit Submissions/Audit Fees
Comments: Identify if the Annual Certified Audit was not submitted on time. Also, identify if audit fees paid exceeded the maximum allowable fee for the applicable year. Provide further explanation of the factor, if necessary.
6. Real Estate Tax and Property Insurance Escrow
Comments: Identify if payment for an escrow shortage was required and the method of payment that was used. Identify if all escrow shortages were not fully funded by January 25th. Provide further explanation of the factor, if necessary.
7. Payments Due Per Audit
Comments: Identify if all required payments were not submitted by the specified due date or if a waiver was provided. Provide further explanation of the factor, if necessary.

Pro-rated Factors

Answer the question for each factor and provide an explanation for any “no” answers provided on the application:
